REPUBLICAN will be found the official statement of the financial condison, which said note and interest tion of the Taney County Bank at the close of business on the last day of the year 1895. The statement shows a most flourishing condition of affairs, berefore notice is hereby given that with a volume of business aggregation the undersigned trusten, will in acing nearly \$52,000. The deposits are over \$19,000, proving that there is considerable surplus money in this these bidder for cash in hand at the neighborhood and that the bank enth door of the court house, in the joys the confidence of its customers. n of Forsyth, Taney county, Mis- The loans and discounts are \$11,286,-88, which represents just that much accommodation to the public, and and 5 o'clock p. m. of said day from the careful and thorough busi-misty said note and interest to-ness habits of the president, cashier er with the cost of executing this and directors it will be generally conceded that all loans have been made on undoubtedly good security.

PROTEM.

Correspondence of THE REPUBLICAN. As the war scare has somewhat subsided, Protem is again putting on her usual bustling airs. Merchants are doing a good business; the roller mill runs to its full capacity every day. Thirty-two hundred pounds of our excellent flour were this morning shipped to Forsyth which will be dealt out there by your enterprising merchants.

G. W. Thurmon (formerly of Forsyth) is doing a rousing business as city cobbler with the barber business as a side line.

Dr. Hollida has quite a run of den- and affidavits sworn to. tal work at the present and is giving good satisfaction.

Our old friend, W. G. Conner, is in our midst with a full line of school

A protracted meeting in the settlement is stirring up the cold and lukewarm at a lively rate. In fact everything is on the boom.

As this is my first, I will close with boot wishes for THE REPUBLICAN. MORE ANON.

From another correspondent. January 7, '96.

Well, the year 1895 is gone and a new one takes its place-will the new an agreeable call on Monday. They be like the old? let us hope it will be Southwest Missouri and especially Taney county has been blessed with bountiful harvests and "hog and hominy" hanging on the bushes. The roller mill owned and operated by the energy and capital of Meesrs. Moore & Wells has done a good business and is a great boon to our village and the surrounding country. The business ofour town has increased at least 50 per cent in the last year. The post office is doing a good business judging from all appearances, as our postmaster is busy all the time and a great part of the time has to have a band here on Saturday. Messrs. clerk to assist in dealing out mail, Hayes and Perry have moved out stamps, etc., and some say he only chandise. both team and driver. For any fur to the Queen farm for the present. gets to eat three meals a day, which is

> Our country's on a boom and don's you forget it.

Our old townsman, Mr. H. G. Lanthe west are hard and his advice is "boys stay where you are." He has brought back with him a quantity of the "raisiu" grape cuttings; also the Tokay and the Rose of Peru and also figs, peaches, &c., and will test the merits of the raisin and wine course will be a success.

Mr. Geo. Moore, who lives three miles north of town, had the misfortune to get two of his tenant houses burned a few nights ago with two Branch, died on Sunday of pneu- hundred bushels of corn and other monia. He was prominent in his valuables. The work of incendiaries. No clew.

The Journal of Agriculture's Almanac for 1896 is probably the best book of the kind ever published in Missouri. It is a cyclopaedia of historic and statistical facts for the office, farm and household and gives also a succinet outline of the theory governing weather changes. The Journal of Agriculture is published at St. Louis and is a complete, high grade home weekly for the farmer and every member of his family. It covers every interest of rural lite. At every point it is a strong paper, wide-awake, up to date, reliable. It has fourteen

The business done in the local United States land office for the calendar year of 1895 is nearly as large as any year on record. During the year there were 1,158 original homestead entries made, aggregating 117,628.28 acres; 87 cash entries aggregating 2,520.62 acres and 466 final proofs were filed, aggregating 55,731.-67 acres. From this office there was Go to Ike's for the celebrated \$17,844.91 paid to the assistant United States treasurer as commissions on For pure wines, liquors and cigars bomesteads, final proofs and cash en-

No record is kept in the land office of the business done during the calendar year. The dividing point is July 1, when the fiscal years end. From the The celebrated Anheuser-Busch record of a few of the fiscal years it can be seen that 1895 will average

> In the fiscal year of 1885 there were 1.193 original entries and 178 final proofs. In 1894 there were 1,087 original entries and 486 final proofs.

In 1892 there were 1,015 original entries and 689 final proofs.—Springfield Leadur-Democrat.
